- ▶ You have made a commitment to ALWAYS follow the 4 laws of gun safety

Now... Are you planning to prepare for the other threats to your ability to defend yourself and your family?

Reasons for Urgency

- ▶ Gun-control advocates are on a major offensive
- ▶ Rights can be difficult (or impossible) to get back once lost
- ▶ Only grassroots opposition to gun control initiatives and advocacy for gun rights will allow us to preserve the freedoms that are so unique to our country – We can defeat the opposition if we are united!
